When ever New user is created its has to sent sent to email id which we used to while creating along with login id and password

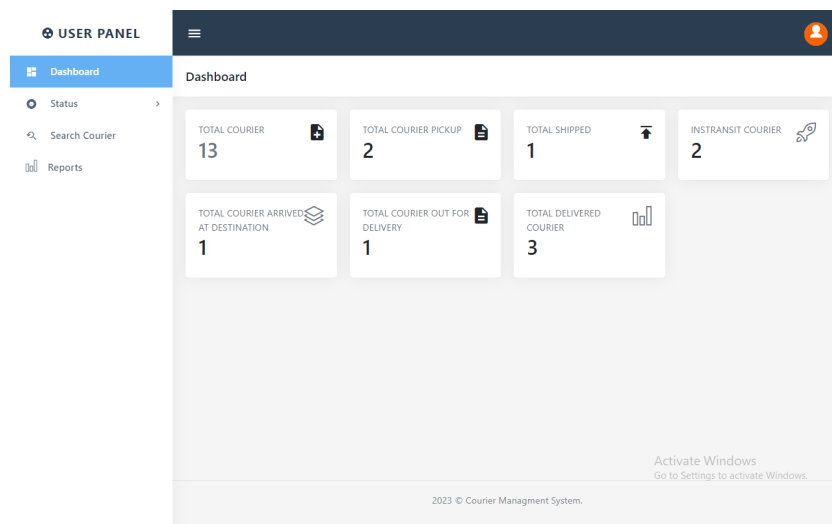

Whenever new courier is created its tracking code has to sent to that user alone.

<https://p1cargo.wolferstech.com/admin/manage-branch.php> cant delete or update or add the branch

## USER PANEL :

On user panel dashboard only that brand cargo ssent booked cargo only should display

ON USER CARGO list that brand cargo detail only should be listed here
